Instructions for Form 588

Nonresident Withholding Waiver Request

General Information

A Purpose

Use Form 588, Nonresident Withholding Waiver Request, to request a waiver or a reduced withholding rate on payments of California source income to nonresident vendors/payees.

Do not use Form 588 to request a waiver or reduced withholding rate if you are a:

- **Foreign (non-U.S.) partner or member.** There are no provisions in the California Revenue and Taxation Code (R&TC) to waive or reduce withholding for foreign partners or members; or
- **Sellers of California real estate.** Sellers of California real estate should use Form 593-C, Real Estate Withholding Certificate.

Form 588 does not apply to payments for wages to employees. Wage withholding is administered by the California Employment Development Department (EDD). For more information contact your local EDD office.

B Law

R&TC Section 18662 requires withholding of income or franchise tax on certain payments made to nonresidents for income received from California sources. The withholding rate is seven percent unless a reduced rate or a waiver is approved by the Franchise Tax Board (FTB).

C Income Subject to Withholding

The items of income subject to withholding include, but are not limited to:

- Compensation for services performed in California by nonresidents (including payment of expenses). For more information, get FTB Pub. 1023, Nonresident Withholding Independent Contractor, Rent and Royalty Guidelines, or FTB Pub. 1024, Nonresident Withholding Entertainment Guidelines;
- Rent paid to nonresidents on commercial real or personal property located in California if the rent is paid in the course of the withholding agent's business;
- Royalties paid to nonresidents for the right to use natural resources located in California;

- Distributions of California source income to nonresident beneficiaries from an estate or trust;
- Prizes and winnings received by nonresidents for contests in California;
- Distributions of California source income to a domestic (nonforeign) nonresident partner or member. For more information get FTB Pub. 1017, Nonresident Withholding Partnership Guidelines;
- Allocations of California source income or gain to foreign (non-U.S.) nonresident partner or member. For more information get FTB Pub. 1017. There are no provisions in the California R&TC to waive or reduce withholding for foreign (non-U.S.) partners or members; and
- Other California source income paid to nonresidents.

Compensation for services includes payments for personal services rendered in California, commissions paid to salespersons or agents for orders received or sales made in California, fees for professional services rendered in California, and payments to entertainers, wrestlers, boxers, etc., for performances in California.

When compensation is paid for services performed both within and outside of California, the portion paid for services rendered in California and subject to withholding should be determined by an allocation. Refer to Form 587, Nonresident Withholding Allocation Worksheet.

Use Form 592, Nonresident Withholding Annual Return; Form 592-A, Nonresident Withholding Remittance Statement; and Form 592-B, Nonresident Withholding Tax Statement, to report and remit withholding to the FTB.

D Exceptions to Withholding

Withholding is not required when:

- The payment is for goods;
- The payment is being made to a resident of California, a corporation, a partnership, or an LLC that has a permanent place of business in California. Form 590, Withholding Exemption Certificate, can be used by vendors/payees to certify that they are residents of California or have a permanent place of business in California. Withholding agents should keep the signed form containing this

certification and provide it to the FTB upon request. Withholding agents are relieved of the withholding requirements if they rely in good faith on a signed certification (Form 590) that the vendor/payee is a resident of California or has a permanent place of business in California. If the resident, corporation, partnership, or LLC that has a permanent place of business in California is acting as an agent for the actual vendor/payee, this exception does not apply;

- The withholding agent's total payments of California source income to the vendor/payee are \$1,500 or less for the calendar year;
- The payments are for income from intangible personal property, such as interest and dividends, unless derived in a trade or business or the property has acquired a business situs in California;
- The payments are for services performed outside of California or for rents, royalties, and leases on property located outside of California;
- The payment is to a nonresident corporate director for director services, including attendance at board meetings;
- The vendor/payee is a tax-exempt organization under either California or federal law (attach a completed Form 590 to certify);
- The vendor/payee receives a written authorization from the FTB waiving the withholding;
- The domestic (nonforeign) nonresident partner or member provides the partnership or LLC with a signed Form 590-P, Nonresident Withholding Exemption Certificate for Previously Reported Income of Partners and Members; or
- The income of nonresident partners or members, including a bank or corporation, is derived from qualified investment securities of an investment partnership.

F Withholding Waivers

The FTB will issue a determination letter. A withholding agent must have received this letter authorizing a reduced rate or a waiver of withholding before reducing or eliminating withholding on payments made to nonresidents. The withholding agent should retain the waiver for a minimum of five years.

Withholding waivers issued by the FTB apply only for the limited purpose of determining the withholding obligation under R&TC Section 18662. They do not apply to the taxability of income. A withholding waiver is effective for a maximum of two years from the date the waiver is granted. If you previously received a waiver or reduced withholding authorization and wish to have it extended, submit a new request on Form 588 and attach a copy of the original authorization letter. The acceptance of evidence submitted with the application is not binding on the FTB for any purpose other than for issuing a withholding waiver.
